Dear Home Secretary,

### **Police Integrity & Corruption Inspection**

I am writing to you to formally respond to the November 2014 HMIC Police Integrity & Corruption Inspection. As I have said previously I greatly value the external scrutiny of the service by HMIC and see it as something akin to free consultancy that helps me undertake my role as Police and Crime Commissioner for Derbyshire.

I am pleased that HMIC recognise the excellent progress made within Derbyshire in implementing ethical and professional behaviour. It is right that the Senior Team's leadership in this matter should be recognised. I am also glad that HMIC recognised the progress made on the recommendations from the 2012 inspection.

I have asked that I am kept informed on the single recommendation contained within the report that relates to the development of counter-corruption processes for regional staff.

Yours sincerely,

Alan Charles
