- i. Award contract to Corporate IT Solutions Ltd.

Declaration

I confirm that I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with the Code of Conduct for the Police and Crime Commissioner for Derbyshire. Any such interests are recorded below.

None

The above request has my approval.

DECISION REPORT
28 AUGUST 2017
REPORT OF THE POLICE AND CRIME COMMISSIONER

**RECOMMENDATION FOR THE AWARD OF CONTRACT FOR THE PROVISION
OF INTERNAL THREAT MONITORING AND AUDIT SOFTWARE**

1. PURPOSE OF THE REPORT

To seek approval for the award of a contract to Corporate IT Solutions Ltd (CITSL) for the provision and on-going support of Internal Threat (IT) Monitoring and Audit Software.

Contract period 1st September 2017 to 31st August 2021 with an option to extend for a further 12 months.

Contract value for the initial term £212,497.50

2. INFORMATION AND ANALYSIS

Derbyshire constabulary CCU currently deploys software known as MAS which provides an auditing and monitoring capability against officer and staff members' activity on the forces network. The system is currently provided by 3AMI and it expires on 12th Sept 2017 and cannot provide coverage for mobile data devices. There has also been significant issues with licensed user costs and support services.

Following extensive market research and benchmarking, a Greater Manchester Police contract (which provides for direct award) was identified as a compliant route to market. Both providers on the framework presented their solution to the CCU. A further competition document was created and sent to the preferred bidder (CITSL) to ensure all CCU's requirements were captured.

3. RECOMMENDATIONS

Award contract to Corporate IT Solutions Ltd.

IMPLICATIONS

All implications are assessed and scored to the table below.

HIGH – supporting explanation and narrative required and to be contained within the report

MEDIUM – narrative to be contained within the report at the discretion of the author

LOW – no narrative required
