DECISION REPORT
NOVEMBER 2017
REPORT OF THE CHIEF FINANCE OFFICER

POLICE AND CRIME COMMISSIONER'S COMMUNITY ACTION GRANT
- RECORD OF AMENDMENTS

PURPOSE OF THE REPORT

1.1 The report provides an update on amendments to the funding arrangements of two of the successful applicants to the Commissioner's Community Action Grant (CAG):

- Mastin Moor Action Group (Large CAG Round 1)
- Langley Mill Community Action Grant (Small CAG Round 3)

INFORMATION AND ANALYSIS

1.2 Mastin Moor Action Group was awarded a grant of £4,170 in the first round of the large grants to run weekly multi-sports sessions for young people to attend. The sessions were free for young people to attend. The sessions were aimed at young people from 8 years of age up to 17 years of age.

Although a satisfactory report has been received for the first six months of the project, some difficulties had been identified and although an alternative provision was sourced the group had taken the decision to disband at this point. An increase in work pressures on members who come from a variety of different agencies was cited as one of the main reasons. The group had set the project up 3 years before and felt that they had achieved what they had set out to do. A second payment of £2,085 will therefore not be provided. Any underspend will be returned to the Commissioner.

1.3 Langley Mill Community Group was awarded a small grant of £2,000 in the third round of the small grants to enhance out of school activities for young people in the deprived areas of Aldercar, Langley Mill and towards Heanor.

The group decided that they were unable to provide adequate activities for young people in this area at this time due to the difficulty in securing a suitable venue at a reasonable cost. A significant effort to source an alternative venue for their proposed activities had been made by the group. It was therefore decided to postpone the delivery of the proposed project. No funds have been provided. The group has been invited to submit another application to the Community Action Grant in the future as appropriate.

RECOMMENDATION

- 1.4 That the Commissioner approves the change in funding requirements as notified by the aforementioned groups and notes that the budgets will be amended accordingly. Any unspent amounts will be retained in the Commissioner’s reserves and will be available for future grant rounds.
