DECISION REPORT
25 APRIL 2017
REPORT OF THE POLICE AND CRIME COMMISSIONER

**RECOMMENDATION FOR THE AWARD OF CONTRACT FOR THE SUPPLY OF
CHORUS ANALYSER AND CHORUS INVESTIGATOR SOFTWARE LICENCES**

1. PURPOSE OF THE REPORT

- 1.1 To seek approval for the award of a contract under framework RM'1557ix 'G-Cloud 9' for the supply of Chorus system licences to be provided by Chorus Intelligence, Woodbridge Suffolk.

2. INFORMATION AND ANALYSIS

- 2.1 The Commissioner has for some time had a small number of Chorus Analyser licences which are used for data analysis using standalone PCs for investigations across the force. The system is used by Operational Analysts who support Police officers. These analysts are working at full capacity primarily in support of cases where bulk communications data needs to be analysed.
- 2.2 The supplier, Chorus has introduced an 'Investigator' licence which can be used by front line officers on cases with less complex data analysis needs.
- 2.3 Chorus have added both types of licence, Analyser and Investigator, to the CCS G cloud framework and have offered discounts for longer term commitments. Currently the Analyser licence has been purchased annually. The rate for the Analyser licence is lower than currently paid, the Investigator licence has not been purchased before. Use of the G cloud framework provides compliance with procurement regulations.
- 2.4 The force has identified a requirement for 4 Analyser licences and 6 investigator licences.

2.5 For a three year commitment the annual cost of the contract is £33,250, total £99,750 for the 3 year period of 1 May 2018 to 30 April 2021, with the option to extend for a further one year.

3. RECOMMENDATIONS

- i. Award the contract to Chorus Intelligence under Framework RM RM'1557IX 'G-CLOUD 9' for the supply of Chorus Analyser and Investigator licences which will cover the period of 1 May 2018 to 30 April 2021 for the total cost of £99,750.
