BACKGROUND

In 2016-17, Hardy Dhindsa, the Police and Crime Commissioner for Derbyshire, committed to share £275,000 among community safety organisations to help him to deliver his Police and Crime Plan priorities.

These priorities include keeping vulnerable people safe from harm, supporting victims, tackling the emerging threats of cyber-enabled crime on individuals, tackling drugs and alcohol, supporting those with mental health issues and working with young people to break the cycle of offending and repeat victimisation. He has invited community groups, non-profit making organisations and third sector organisations to work with him to deliver his priorities at a local level.

Community Action Grants provide funding to promote partnership working with the Commissioner in Derbyshire and help to deliver the objectives of his Police & Crime Plan.

There is one round of applications per year (total allocation £200,000) for a Large Grant (between £2,501 and £25,000) and up to three opportunities per year (total allocation £75,000) to apply for a small grant (up to £2,500).

This report supports the decisions for the third round of large grants under the Commissioner's Community Action Grant.

The third round of applications opened on 1st October 2018 and closed on 30th November 2018. In total, 32 applications valued at £600,000 were submitted.

As a commitment to partnership working, the Commissioner has secured the assistance of key Community Safety partners within Derbyshire and Derby City. These partners reviewed all Large Grant applications relevant to their administrative area.

The projects awarded a grant will receive funding for a 12 month period.

The Commissioner has determined to award 2 additional large grants to the organisations detailed in Table 1, which meet his crime objectives and offer value for money.

Grant criteria will be set and regular monitoring reporting will be required from the recipients.

Full details of grants awarded will be made available on the Commissioner’s website at <http://www.derbyshire-pcc.gov.uk/> once the grant agreements have been exchanged and signed.
