Title: Building Cleaning Services

Executive Summary: To be completed by PCC Specialist lead

Tenders have been invited to compete for the provision of cleaning services to 3 East Midland forces. Tenderers were offered the chance to bid for individual force contracts as well as providing discounts for more than one or all forces. A decision on the award of the contract is now required. The service has been provided for the past 10 years by a private sector company.

The tender evaluation was carried out by the Regional three force unit together with facilities management specialists in each force. This resulted in a proposal to split the contract award with one contractor successful for Nottinghamshire and Derbyshire, while a separate contractor was successful in Northamptonshire.
