FOR DERBYSHIRE  
DECISION RECORD**

<b>Request for PCC Decision</b>	<b>Received in OPCC Date:27/04/15</b>	<b>OPCC Ref:26-15</b>
---------------------------------	---	-----------------------

**Case & Custody and Custody Image Management Licensing and Enhancement**

**Executive Summary: To be completed by PCC Specialist lead**

Derbyshire Constabulary deployed the GEM Case and Custody information technology system some years ago. The contract will currently expire on 31st March 2016. However, there is a need for enhancements under the existing contract relating to forms and statement treatments, to be carried out in 2015/16. Both these aspects are the basis of a new agreement with the supplier following an EMSCU conducted mini competition against the CCS RM1054 Framework to seek the most economically advantageous tender.

The contract for enhancements starts immediately and the software licence starts 1 April 2016 for 2 years plus 2x12 months extensions.

**Decision**

Resolved that the award request for the total contract value as contained in the associated confidential report for Guardian and Case & Custody and Custody Image Management Licensing and Enhancement for Derbyshire Constabulary is approved.
