

**THE OFFICE OF POLICE AND CRIME COMMISSIONER
FOR DERBYSHIRE
DECISION RECORD**

Request for PCC Decision	Received in OPCC Date: 7 October 2014	OPCC Ref: 47/14
---------------------------------	--	------------------------

Title: Purchase of Discreet Building to support Regional and National Collaboration

Executive Summary:

This has been discussed by the Regional PCCs on a number of occasions since May 2014, including an evaluation of the options available. A number of further meetings have explored these options and costs and agreement given by the Regional PCCs at their meeting on the 17th June 2014 to purchase the discreet building, to be met from the national funding allocation provided and for conversion and adaptations to be within clear criteria. A regional PCC representative is present at the project Board meetings to provide oversight and input from a PCC perspective.

Following national funding provided in 13/14 and made available in 14/15 to the East Midlands Regional PCC's, to purchase an additional discreet building within the region for relocation of existing 5 force collaborative resources. This would enable co-location with the National Crime Agency, in line with the national and regional strategy and which is a natural extension of joint approach to crime collaboration in the East Midlands.

Decision

Resolved that the Commissioner

- i. Approve the purchase of the discreet building together with East Midlands PCC's at the net purchase price of £700,000.
- ii. That the purchase and associated conversion costs of the existing and new discreet buildings be met from the national funding provided.
