Open Letter to PCC Candidates

18/04/2016

Dear PCC Candidate,

Issues raised by public during election campaign

Following a recent referral into the office from one of the candidates in the PCC elections I thought it best to write to all candidates, and their agents, to clarify the position of the office on issues raised by the public during campaigning.

During these elections there will be times when members of the public raise particular issues with you about policing in their area. If issues are raised that you feel require immediate attention please do feel free to contact me and we will be happy to look into matters in line with our casework processes.

I would ask that you let whoever has raised the issue with you know that you intend on passing the matter onto the Office of the Police and Crime Commissioner and that you have approval to share their contact details so that we can get in touch with them directly. Alternatively people can contact the office directly through the OPCC website – www.derbyshire-pcc.gov.uk

Yours sincerely,

ELECTRONICALLY SIGNED
