

Independent Custody Visiting Scheme

Self-introduction Card

We are Independent Custody Visitors. We are members of the community and we're here to check on your welfare and the conditions you are being kept in whilst you are at the police station. We haven't been told who you are or why you're here – we don't need to know that.

Can we speak to you for a couple of minutes?

May we also look at your Custody Record for this occasion?
