Dear Sir/Madam

**Request for Information FOI184/2014**

I write in connection with your request for information sent on 19 June 2014, seeking following information relating to cyber attacks. Please see our responses below:

**Has your police authority had any data held to ransom by so-called “ransomware” cyber attacks such as Cryptolocker or similar?**

*The Police Authority ceased to exist in November 2012 when Police and Crime Commissioners were elected into Office. However, I can confirm that neither the police authority nor the Police and Crime Commissioner have been held to ransom by ransomware cyber attacks.*

**If so, what was the specific nature of the attack? (name of threat, data targeted)**

NA

**Have any funds been paid to retrieve the data – i.e., has the ransom been paid?**

No

**If so, how much has been spent on paying ransoms?**

NA

Should you have any further enquiries concerning this matter, please write or contact Elizabeth Kelly, Meetings and Information Officer, on telephone number 0300 122 6007 quoting the reference number above.

Yours faithfully

*Electronically Signed*

Elizabeth Kelly
