Internet Circuits Virgin Media – contract extension

In 2018, due to the requirement of increasing both the capacity and speed on the internet circuits, IS procured additional internet circuits, contract reference DP0381. The support and maintenance of the internet circuits is due to expire on 8 November 2021.

The current agreement has 2 x 12-month extension options, therefore IS wish to utilise the full extension option as the minimum support period is 24-months. The extension will cover the period of 8 November 2021 to 7 November 2023.
