INFORMATION AND ANALYSIS

Derbyshire Constabulary is planning a comprehensive transformation of its Force Operations Room (FOR) telephony systems during 2018. The FOR comprises of Force Control Room (FCR) which undertakes emergency call handling (999s) and the Force Contact Centre (FCC) which undertakes non-emergency call handling (101s).

This competition was an EU Open Procedure. 33 suppliers expressed an interest in this tender. 1 supplier submitted a bid.

The submissions were evaluated against the Most Economical Advantageous Tender Criteria (MEAT): Weighting 35% Price and 65% Quality.

Based on the detailed evaluation Capita Secure Information Solutions received the full 65.00 points for their quality response. Although Capita Secure Information Solutions were the only bidder, the evaluation panel were satisfied from their response that they could meet the requirements which were outlined within the specification. Capita Secure Information Solutions provided a comprehensive response to the method statements.

Capita Secure Information Solutions received the full 35.00 points for their price response, as they were the only submission. The submission was within the original budget for this project.
