RECOMMENDATIONS

The current contract is on a Framework Agreement arranged by the Metropolitan Police which was for a 4 year period, with the supplier Aero Healthcare

As our contract ends on 19/07/19 we need to join a new Framework Agreement. The Metropolitan Police have negotiated a new framework which runs for a period of 4 years for the provision of First Aid Equipment with the same supplier, Aero Healthcare. The Framework commenced on 01/12/18 and we can join the Framework at any time within that period and benefit from the full 4 year contract term from our date of joining.

A desk top evaluation was carried out of the pricing/product selection offered by Banner Group who are our current supplier for stationery and who can also offer first aid supplies but the products on offer were more limited in comparison to Aero Healthcare and the pricing was comparable.
