

**THE OFFICE OF POLICE AND CRIME COMMISSIONER  
FOR DERBYSHIRE  
DECISION RECORD**

<b>Request for PCC Decision</b>	<b>Received in OPCC Date: SEPTEMBER 2019</b>	<b>OPCC Ref: 42/2019</b>
---------------------------------	--	--------------------------

**PROVISION OF VMWARE SOFTWARE LICENCES**

**Executive Summary:**

Police ICT (PICT) Company, acting on behalf of all UK Police Forces, entered into a contract via the Crown Commercial Services RM3733 Technology Products Framework following a further competition against lot 2. All Forces are then able to call off from PICT to provide their required volume of licences. This approach has meant that VMWare have one point of billing within the UK, thus they were able to offer 30% savings for annual support and provide price protection for the term of the contract (3 years), expected to be 15%.

**Decision**

The recommendation to award the contract to the Police ICT Company to the total contract value of £67,044.49.

I confirm that I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with the Code of Conduct for the Police and Crime Commissioner for Derbyshire. Any such interests are recorded below.
