PURPOSE OF THE REPORT

To recommend approval of the awarding of the contract for the Refurbishment of The Crest Portacabin at a cost of £ 271,406.07 + FEES + VAT .

The current portacabin is in desperate need of refurbishment, so a specification has been put together to include, works to externals, roof, and internal upgrade to heating, ventilation and electrics.

Due to operational time constraints, the works required, must be finished by end of March 2020 without exception.

RECOMMENDATIONS

We recommend a direct award on the grounds of having worked with J Tomlinsons, and they are vetted, with a proven track record of working with the Force. The other 5

companies on the framework are not vetted. This is against Efficiency East Midlands framework EEM 0056 Property Improvements.
