SOFTWARE LICENCES FOR MOBILE DEVICES

Executive Summary

This request is for Software Licences for UFED 4PC ultimate SW renewal used for the analytical scrutinisation of mobile devices. The current licences expire on 13th April 2020.

This software Licence enables forensic examiners to conduct examination of mobile phones, also it is used in approximately 90% of all mobile phone examinations and provides solutions around unlocking of mobile devices.

Cellebrite is a market leader <https://www.cellebrite.com> in the examination of mobile devices and this software has been used successfully in the laboratory for many years, this software is essential to the effective operation of the forensics division.

Cellebrite is unrivalled in terms of its capabilities within the field of mobile forensics and has supported a vast number of mobile devices, in addition we do have access to other software.

Forensics already have XRY in the laboratory and these tools complement each other.

The annual cost of each licence is £2,745 (which includes 10% discount) effective 14th April 2020 to 13th April 2021.

Decision

To approve the contract for Software Licences for UFED 4PC ultimate SW renewal at an annual cost for each licence of £2,745 effective 14 April 2020 to 13 April 2021.
