SCENE OF CRIME CONSUMABLES

Executive Summary

Crime scene consumables consists of a wide range of products including, evidence bags, PPE, impression materials, evidence preservation, medical kits and equipment, chemicals and various miscellaneous items.

West Mercia Police have managed a tender process on behalf of all UK Police Forces and Emergency Services and have awarded the new National Framework Agreement for Scene of Crime Consumables to WA Products Ltd T/A Scenesafe.

The agreement started on 1st July 2020 for a 2 year period with the option to extend for 2 x 12 months.

It is our recommendation to sign a call off contract against the new framework. On average our annual spend on crime scene consumables, including chemicals, is £90,000 therefore for the contact term including extensions the contract value will be in the region of £360,000.

Decision

To sign a call off contract against the new framework (detailed in the summary). The agreement started on 1st July 2020 for a 2 year period with the option to extend for 2 x 12 months.
