FOR DERBYSHIRE
DECISION RECORD**

Request for PCC Decision	Received in OPCC Date: NOVEMBER 2020	OPCC Ref: 91/2020

THE PROVISION OF MOBILE PHONES

Executive Summary

Due to the current lease of the mobile phones expiring in March 2021, the Force are looking to change the make and model of the mobile phone which is used throughout the organisation.

A business pilot was conducted throughout August 2020 to test the proposed device – Motorola G8 Power.

The pilot was successful and therefore we are now purchasing 2,100 devices, along with screen protectors and stylus pens. The purchase of the devices is earlier than originally anticipated, but due to the increase in demand within the market, it is important that the order is raised now so we can secure delivery of the devices.

A compliant route to market has been identified under the Health Trust Europe framework, via a direct award to Insight Direct (UK) Limited.

The value of the purchase is £276,423.00 which covers the term of 16 November 2020 to 16 December 2020. Please note: this is a goods only contract, so will expire upon delivery of all units.
