THE PROVISION OF A MEDIA MANAGEMENT PLATFORM

Executive Summary

PRgloo is a cloud-based media management platform which will be used to record interactions with journalists and stakeholders and to store public lines/ statements. The system will predominantly be used to store information about requests received from journalists and subsequently the actions taken to respond to these queries. This will be accompanied by any statements or releases written and correspondence with officers and staff relating to the request.

The system already has a built-in database of journalist's details, PRGloo are the owners of this information which we will have access to. 7 people within the Communications and Engagement Team will have access to the system.

A compliant route to market has been identified under the G Cloud 12 framework which allows for a direct award to PRgloo.

The total value of the contract is £19,500.00 (£6,500.00 per year) which covers the period of 12 months from 5 April 2021 to 4 April 2022, with the option to extend for a further 2 x 12 months.
