Executive Summary

The 1625 Substance Misuse Outreach service is designed to deliver interventions to reduce harm around substance misuse and associated risky behaviours for those in the 16 - 25-year-old group. The service works with individuals and groups of individuals across urban and rural communities in Derbyshire (excluding Derby city). The service is based on a proactive outreach model requiring the service to work in partnership with a variety of local organisations in order to establish excellent links with 16-25-year olds where they reside, undertake education and socialise.

The Police and Crime Commissioner for Derbyshire has agreed to:

- Novate the 1625 Young People's Substance Misuse Outreach contract from Derbyshire County Council to the PCC for Derbyshire
- Lead the contract management process of this service including the management of a tendering process for a new contract period to begin from 1st April 2022.
