FOR DERBYSHIRE
DECISION RECORD**

Request for PCC Decision	Received in OPCC Date: November 2021	OPCC Ref: DN70-21

Temporary Alarms Call Off Contract

Greater Manchester Police arranged a national Framework in 2017 on behalf of all forces for the provision and monitoring of temporary alarms. The supplier under the agreement is AVR T/A National Monitoring.

The framework ends on 1st January 2022 and GMP are currently working on a replacement however, the process is taking longer than anticipated as further market engagement is required due to changes in technology.

As the new framework will not be in place before the expiry of the current agreement, in order to maintain the provision we need to enter into a new call-off contract from the existing framework for a further 12 months up to 31st December 2022.

The value of the contract is estimated at £8,800 + vat based on the average costs over the last 3 years and the supplier has agreed to hold pricing for the duration of this 12-month call off.

As a national agreement this is the most cost-effective solution for the force.
