FOR DERBYSHIRE
DECISION RECORD**

Request for PCC Decision	Received in OPCC Date: December 2021	OPCC Ref: DN75-21

SIP Trunks Variation to Contract

The current contract for SIP trunks is provided by Gamma Telecom Limited. The contract commenced on 29th January 2021 with an expiry date of 28th January 2024 with the option to extend for a further 2 x 12 months.

The Force has 2 x SIP trunks, one at Derby SMW and one at Force HQ which provide the SIP lines for the forces landline telephony services.

In December 2020 a mini competition was conducted against the Crown Commercial Service (CCS) Network Services 2 framework agreement, Lot 3 for the provision of these services and Gamma Telecom were the successful bidder.

The IS Department have now identified a need for 2 additional SIP lines which can be used for testing purposes only. This will allow testing to take place for the proposed routing of 101 calls directly to officers and staff and for any future testing requirements, whilst avoiding any impact on the live system during the testing.

The supplier has offered free minutes on the test lines so the additional cost is only for the provision of the 2 x additional lines at a total cost of £563.52 for the remaining term of the contract, including the extensions.
