Asbestos Services and Analytical Services

In line with the Public Contracts Regulations 2015 a Further Competition was run against EEM Framework reference EEM0024 Asbestos Framework 6 companies who were on the framework were invited to tender. 4 responded, only 3 were compliant and those 3 were evaluated.

The bids were assessed against the quality criteria set out in the invitation to tender document - most economically advantageous tender criteria (meat): weighting 40% quality (delivery) and 60% price the submission from Environtec Ltd is the successful bid. The estimated call-off contract value over 4 years is £140,000.00 with a commencement date of 1st May 2022. Derbyshire Fire and Rescue Service have asked to be included with an option of joining if they wish to. They will raise their own call off contract against the framework.
