Provision of Microsoft Licences and Microsoft Unified Support

Due to the upcoming anniversary of the existing agreement, Software One has formally notified Derbyshire Constabulary of a significant price increase to the Microsoft E3 licence from May 2023 – of which will impact us for any future EA. The longer-term goal of the Constabulary has been to move to the Microsoft E5 licence, and due to the significant increase in costs for the E3 licence, this has now bought the cost of the new EA for the E5 licence less than the E3 licence. In order to take advantage of the E5 pricing for 2022, it would mean that a new EA is signed, which covers a 3-year period.

Two alternative quotations have been obtained to benchmark against the pricing which has been received from the incumbent, Software One.

The Commercial Services Group framework for Software Products and Associated Services 2 (ref: Y20011) allows for a Direct Award to Software Limited.

The offering from Software One meets DC's requirements and therefore the contract for the Provision of Microsoft Licences is to be awarded to Software One Limited for the total contract value of £5,094,094.86 which covers the period of 3 years from 1 June 2022 to 31 May 2025.
