Konica Minolta – multifunctional print devices

In 2017 both Police and Fire put a contract in place with Konica Minolta for their MFD's for 5 years with the use of a CCS Framework via a Further Competition. The 5-year contract term ends November 2022, and due to a change within the CCS Terms and Conditions, we are unable to utilise the previously agreed 2 x 12-month extension options under the current agreement, therefore a new agreement is required.

We currently have 145 devices (including 2 x large Print room devices) each with card reader and SafeQ Licence. Konica conducted a usage audit on our devices in early 2022, and it has been agreed that we will decrease our devices down by 8 to 137 in total, generating a saving of around £5,000.
