PROVISION AND MAINTENANCE OF TEMPORARY ALARMS

Greater Manchester Police arranged a national Framework in 2017 on behalf of all forces for the Provision and Monitoring of Temporary Alarms which are installed in premises at the request of police. The supplier under the agreement was AVR Group Ltd T/A National Monitoring (DP0161). GMP have now put in place a new framework for the Provision and Monitoring of Temporary Alarms where we wish to enter into a new contract for 2 years plus 2 x 12 month extensions with the incumbent supplier AVR Group Ltd T/A National Monitoring. As a national agreement this is the most cost-effective solution for the force.

A route to market has been identified via the GMP Framework A0689 as it offers a compliant route to market via direct award.

The total value of the contract is £65,184 which covers the period of 24 months from 01/08/2023 to 31/07/2025, with the option to extend for a further 24 months
