Lived Experience (Victim Services)

The Police and Crime Commissioner for Derbyshire wanted to establish a service provider to ensure that the voices of victims, both adults and children, are considered in the development of services, policies and strategies for victims of crime and, where applicable, some aspects of the Criminal Justice System.

As the commissioner of victim services, for both adults and children, the Commissioner acknowledges the importance of creating more opportunities for people with personal experience of using various victim services, to share their views and experiences and help to create a more robust and well-informed suite of victim services for Derbyshire.

21 suppliers expressed an interest in the tender and two bids were received.

Following on from an open tender process, Victim Support are the winning bidder.

This service is being led by the Office for the Police and Crime Commissioner for Derbyshire with support and funding from key partners. The total value of the contract is £275,072.00 which covers the initial contract period of 2 years with the option to extend for a further 2 x 12 months.
