

FOI 29/2023

I write in connection with your request for information processed under the Freedom of Information Act 2000 and received in the Office of the Police and Crime Commissioner for Derbyshire on 03/08/2023 when you asked the following question(s):

This is a submission of an FOI request concerning the allocation of funding for victim support services in your local area.

In particular, we are interested in seeing a break down in funding grants for local victim services, for both multi-crime services and specialist domestic abuse services, with the names of individual grantees included. Funding allocations made within the last 12 months will suffice. We would appreciate it if these could be sent via email, to Anthony.castagnetti@safelives.org.uk

I can confirm that the Office of the Police and Crime Commissioner for Derbyshire holds the information that you have asked for.

In answer to your request please see the following information tabled below:
