A message from Angelique Foster, Derbyshire Police and Crime Commissioner

The priorities in my Police and Crime Plan are there to protect the people of Derby and Derbyshire. They put the law-abiding citizen and victims of crime at the heart of everything we do. My plan will deliver:

- More police officers on our streets
- Driving efficiencies to reinvest in frontline policing
- A reduction in anti-social behaviour, burglaries and theft
- Improved road safety for all
- Improvements to 101 and 999 to reduce waiting times
- A more robust response to rural crime

My Police and Crime Plan is designed to provide strong local policing across Derbyshire. Investing in our police force will help to continue the fight against crime and bring more criminals to justice. It will help create safer neighbourhoods in our city, towns and villages so that communities can flourish and businesses can grow and prosper.

The budget that I have set for 2022-23 provides the Chief Constable with the resources to make the changes and improvements required to deliver the priorities in my plan and to ensure that Derbyshire taxpayers receive the police service they deserve.
