

**THE OFFICE OF POLICE AND CRIME COMMISSIONER
FOR DERBYSHIRE
DECISION RECORD**

Request for PCC Decision	Received in OPCC Date: March 2022	OPCC Ref: DN26-22

Cash Courier Service

The force has a need to use the services of a cash collection service due to bank branch closures and a change to the banking processes being brought in by our current banking services provider. The ESPO Framework 324F Cash Collection and Cash in Transit services has been identified as a compliant route to market. There are three available suppliers on the framework which cover the East Midlands region. Having reviewed the pricing under the framework, Security Plus + have been identified as offering the most economically advantageous tender and therefore it is our intention to contract with them via direct award. Costs have been estimated based on deposits made in the first quarter of the current financial year at approx £4300 annually. When comparing the estimated costs to our current banking fees and counter charges there is an anticipated saving of £0.30p per £100 deposited. The estimated annual cash deposit value is in the region of £1.8million which would equate to a saving in the region of £5400 annually. The framework agreement commenced on 01/04/2020 for 2 years with a 24 month extension up to 31/03/2024.
