**Insurance Brokerage Services Decision Notice**

There is a requirement to use insurance brokerage services to ensure appropriate access to the insurance market and specialist advice. Due to the nature of our organisation and the complexity of insurance requirements, it is not feasible to approach the market directly without the support of a broker. To meet this need, we are utilising the YPO Insurance Brokerage Framework which allows for Direct Award to AJ Gallagher for this requirement.

The direct award further provides access to the YPO Dynamic Purchasing System (DPS) for Insurance Placement.

This arrangement will enable the organisation to secure suitable insurance cover and brokerage support for the next five years. The estimated contract value over the five years is £25,000.
