PSU Peace Keeper Boots

Procurement have completed a call off contract through BLC for the provision of the Peace Keeper P3VS Boot. Altberg are the single supplier for this boot on the framework which is needed to kit our PSU trained officers.

I have completed a 2 year contract with the option to extend for 12 months as there will be an increase in need for these boots over the next 3 years as we train more PSU staff in line with national need. There has been delays in supply so having a contract in place with BLC and Altberg will help ensure that all goods are delivered in a timely manner.

We have been paying £96 per pair previously, when signing upto the framework it has been noted that the framework price is £92.68 per pair. . We have had issues with long delays and having a contract in place can challenge this through BLC..

Anticipated spend on these boots per annum is approx. £6,000 however this could increase slightly should we train more officers to cope with national demand.
