Request for PCC Decision

Pava Spray

The force currently purchases PAVA Spray from SST - Sovereign Specialist Training on a purchase order basis. The company also disposes of any spent/unused canisters in a safe and compliant way. Procurement have sourced a compliant route to market through the BLC framework and have completed a call off contract for a period of 2 years to continue this supply.

Unfortunately there are no savings on this route to market as SST were offering us the same price as what is offered on the BLC framework so this will remain the same, however we do have confidence that price will remain stable for the next 2 years.

The total contract value is estimated to be around £40-45k however spend isn't ringfenced it comes out of the Criminal Justice Equipment Budget and finance have confirmed there is budget for this.
