Holmes CTP Renewal

CTP currently use Holmes. Negotiations have taken place via BLC and the NPCC lead for Holmes, with the recommendation that policing continue to contract with the current supplier (Unisys) for the next four years. A compliant route market has been identified via the G-Cloud 14 RM1557.14 Framework agreement. This allows for direct award to Unisys for this requirement. The contract term is 1 year and the contract value is £9,607.
