Provision of ANPR Management Server

The IS Department maintains Derbyshire Constabulary's ANPR estate, which includes installation of VRM capture devices, management of ANPR network infrastructure, and installation, configuration, and upkeep of the ANPR management server and operational BOF server.

IS are reviewing and refreshing the existing ANPR Management Server.

A route to market has been identified via the Derbyshire IT Hardware, Software and Consumables framework which is in place with Insight Direct (UK) Limited as it offers a compliant route to market via direct award.

Our requirements were shared with Insight Direct (UK) who selected the appropriate supplier for this project.

Ongoing Support and Maintenance will be provided by Insight for the duration of the contract.

The total value of the contract is £54,239 which covers the period of 2 years from go-live date which is estimated to be 01 February 2023, with 2 x 12-month optional extensions.
