Support and Maintenance Network Switching Equipment

Our Cisco Hardware Estate's support and maintenance requires renewing. Derbyshire Constabulary need to have sufficient support and maintenance in place to ensure we have a route to resolution and fix, should we have a fault or issue with these critical components of the infrastructure.

A route to market has been identified via the Derbyshire IT Hardware, Software and Consumables framework which is in place with Insight Direct (UK) Limited as it offers a compliant route to market via direct award. Our requirements were shared with Insight who submitted a quotation which Derbyshire Constabulary has reviewed. The call off contract for the Support and Maintenance of Network Switching Equipment is to be awarded to Insight Direct (UK) Limited for the total value of £173,376.90.
