Sporting Communities ASB Prevention projects

The Police and Crime Commissioner for Derbyshire, Angelique Foster, has agreed to fund

four ASB Prevention projects to be delivered by Sporting Communities. The total cost of the four diversionary projects is: £19,832.

1. Early Intervention Prevention Sinfin - £4963
2. Early Intervention Prevention Oakwood - £4,956
3. Early Intervention Prevention Alvaston - £4,963
4. Mobile Youth Provision – Supporting Communities - £4950.00

Sporting Communities has been offering youth engagement and intervention projects in Derby for more than ten years. These have had a demonstrable impact on the development of young people in the areas where their services have been delivered. Through their community reassurance program, they have been able to demonstrate the cost-effectiveness of their services. Their community assurance engagement model involves working closely with local SNTs. This has been very well received and has delivered some very successful outcomes, increasing community trust and confidence in the police and reducing levels of anti-social behaviour. Sport and the creative arts are used as a tool to engage with individuals and communities on a deeper level. Wraparound services are then designed to initiate social, individual and community development.

Sporting Communities (SC) has a Mobile Youth Vehicle that has been specially designed to target youth anti-social behaviour in Derbyshire. It is a collaborative effort between

agencies such as the local council, police, and housing. The vehicle has various resources, including video and audio equipment, gaming consoles, and internet access. Its goal is to provide a safe and engaging space for young people to socialise and interact with peers, reducing the likelihood of participating in anti-social behaviour. The young people and families in all of the areas identified in this paper will be the main beneficiaries of the provision, however the wider community will also benefit as a result of the reduction in ASB incidents in the area through positive engagement.

Decision

Approved

Declaration

I confirm that I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with the Code of Conduct for the Police and Crime Commissioner for Derbyshire. Any such interests are recorded below.

None

The above request has my approval.
