**EMPLS Call Off Order**

A number of the network switches are end-of-support in February 2023; therefore, a review of the whole infrastructure took place, with a view to consolidating the existing switching estate.

A route to market has been identified via the Derbyshire IT Hardware, Software and Consumables framework which is in place with Insight Direct (UK) Limited as it offers a compliant route to market via direct award.

The business requirements were shared with Insight Direct (UK) Limited, and the proposals were reviewed by IS and Procurement.

A viable solution was offered with the replacement of existing switches onto a single high performance and highly resilient chassis-based solution. Ongoing Support and Maintenance will also be provided by Insight for the duration of the contract.

The total value of the contract is £347,609.11 which covers the period of 3 years from 1 February 2023, with no options to extend.
