E-mail only:

Dear

FOI Request: FOI 11/2020

I write in connection with your request for information sent to the Police and Crime Commissioner for Derbyshire on 18 February, as follows:

*Although the subject of a UK wildman /bigfoot/hair covered bipedal is ridiculed I have good reason that suggests a police helicopter spent considerable time over Lea Road in Cromford, Matlock during the night of Feb 6th going into the early hours of Feb 7th. I have audio of the night in question which has some very odd aspects to it regarding the above which I have previously offered up. Did ground officers attend?
Could a report or incident Summary statement of the incident be made available please as well as any suspects or arrests.
What was the objective of the helicopter or offense it was being dispatched for and if possible since a considerable amount of time was spent could a brief description of the police parties who attended including but not limited to any canine units*

This is to inform you that the Office of the Police and Crime Commissioner for Derbyshire does not hold the information you have requested based on the information you have provided.

Derbyshire Constabulary may hold this information and I give below a link to the Force's website where you can make a FOI request to them direct.
