FOI Request: 15/2026

I write in connection with your request for information received in the Office of the Police and Crime Commissioner for Derbyshire on the 26th May 2026. You asked the following questions:

“I'd like to request information in relation to which back-office systems your force is currently using. I'm looking for information specifically on the following:

- ***ERP System***
- ***HR System***
- ***Finance System***
- ***Pensions System***
- ***Any other back-office technology***

For each system, where possible, can you share the technology being used and which supplier is delivering it?

If any of the above request falls outside the scope of the FOIA, please answer what you can and advise and assist on the best way forward. Could I also get a reference number with the request?

Thanks in advance.”

This is to inform you that the Office of the Police and Crime Commissioner for Derbyshire does not hold the information you have requested based on the information you have provided. This is because we utilise Derbyshire Constabulary's systems and are not the system-owners.

Derbyshire Constabulary may hold this information, and I give below a link to the Force's website where you can make a FOI request to them direct.
