Dear

FOI Request: 21/2021

I write in connection with your request for information received in the Office of the Police and Crime Commissioner for Derbyshire on 11 May 2021. You asked the following:

I have just watched a video of Britain First discussing the matter of muslim grooming gangs in your area and was not convinced by what your female officer said about the matter. Police forces around the country are, understandably, frightened to challenge these vile pedophile perverts in fear of being seen as racists so none of you seem to do ANYTHING to stop it and it continues unabated. Please provide me with proof that you will challenge these gangs in order for young children to live their lives without the curse of being raped and abused by these disgusting types.

This is to inform you that the Office of the Police and Crime Commissioner for Derbyshire does not hold the information you have requested based on the information you have provided.

Derbyshire Constabulary may hold this information and I give below a link to the Force's website where you can make a FOI request to them direct.
