Dear

FOI Request: FOI 3/2020

I write in connection with your request for information sent to the Police and Crime Commissioner for Derbyshire on 15 January 2020, as follows:

Following the sudden and unexplained withdrawal of the plan to place a traveller site at the Ashbourne end of Watery line the council has sought a new location. We understand that the primary location under consideration is The Coal Yard, Watery Lane, Clifton, DE6 2GL. SK163446, 52.999104, -1.757722 Can you tell me if you have any opinion regarding the impact that this site would have on the police resources available to our local community? Especially as it is adjacent to the historical site of the lower Shrove tide goal and some local small businesses. Please could you consider this as an FOI if needed including the provision of any reports or internal comments.

This is to inform you that the Office of the Police and Crime Commissioner for Derbyshire does not hold the information you have requested based on the information you have provided.

The Commissioner's role and under the terms of the Police Reform and Social Responsibility Act 2011 is of a strategic nature and includes setting and updating the Police and Crime Plan, setting the Force budget and precept as detailed on his website:
