1. As publicly funded corporations sole, the Office of the Chief Constable and the Office of the PCC are statutorily obliged to make arrangements for an independent Audit Committee to oversee their arrangements. The Financial Management Code of Practice (FMCoP) for the Police Service of England and Wales recommends that this be a combined body covering both corporations' sole.
2. In recognition of the intermittent periods of work involved in undertaking committee member duties, the day rate allowances should be payable to cover the time commitment involved.
3. The chair will be paid the ordinary day rate plus a 25% enhancement to reflect the additional responsibilities.
4. The amounts payable will be:

	Ordinary JARAC members	JARAC Chair
Up to and including four hours per day, including travel but excluding meal breaks (half day rate)	£104.50	£130.62
Over four hours per day including travel but excluding meal breaks (full day rate)	£211.15	£263.94
Notional preparation and reading time, per hour (hours to be agreed by the Chair)	£15.00	£15.00

5. Travel by car to be reimbursed at the HMRC rate, currently 45p per mile. Parking costs and other expenses reasonably incurred in the exercise of the members duties will be reimbursed where a receipt is submitted with the claim.
6. Reimbursement of expenses and payment of allowances will be made by BACCS after receipt of valid official claims by the Chief Finance Officer.
