Dear Ms Newbury,

Re: Annual PCC report feedback

I am writing further to your letter of 05/10/2022 concerning feedback relating to my Annual Report 2021-22 which was tabled at the Police and Crime Panel held on 08/09/2022.

My Annual Report, which is due to be published on my website later this month, will align my significant achievements against each of my Police and Crime Plan priorities. This will provide members with greater clarity as to which priority they relate to.

My office has previously ensured panel members receive an electronic link to download meeting papers for each of my Performance Scrutiny Meetings (PSM), which occur on a bi-monthly basis. As you know, these meetings provide a deep dive into each priority and include updates against delivery being carried out by the force.

Ultimately, these meetings provide assurance to me, as Police and Commissioner, that delivery is being progressed against the key areas within my Plan which the public have asked me to prioritise.

To make it easier for panel members to view these detailed documents, as previously discussed, my office will be appending the relevant PSM paper which occurred in the period between panel meetings to my interim delivery report. This will provide members with a comprehensive overview against each priority over the course of a 12-month period.

I hope this inclusion in the papers provided by my office will be welcome by the Panel.

Yours sincerely,

Angelique Foster
Police and Crime Commissioner for Derbyshire
