Managed Training Services

Information Services have a contract with a specialist training provider QA Ltd, to deliver courses to members of the team on a variety of specialisms. This contract with QA Limited is due to end on 17th March 2022.

The department has an ongoing need for the provision of specialist IS training courses and we have established that the Business Change and Communication and Engagement departments have similar requirements, therefore there is a need for a new contract to be put in place.

A compliant route has been identified to procure training services via the ESPO Framework Agreement for Managed Training Services (383-21) which permits direct award. QA Ltd are a named supplier on this framework and having been satisfied with the services provided a quotation was requested for courses. The contract to be awarded to QA Ltd under the ESPO framework will have a 2 year term commencing on 18th March 2022 with 2 x 12 month extension options available.
